# MAKE EVERYTHING A LITTLE BRIGHTER

Welcome to our all-encompassing Lighting Guide, showcasing **over 950 products** including our extensive offering of design-led Indoor & Outdoor Lighting.

There's a style for every preference and we're here to help you find the look that's right for you - whether that's a simple table lamp or feature pendant light to finish your chosen interior space.

Our specialist British designers have developed comprehensive ranges of Lighting that cover all budgets, without compromising on quality or style.

We're proud to say that through our increasing use of industry leading sustainable packaging, our complete Lighting offering is drop ship ready, for any environment and delivery service.

Peter Delaney

Managing Director

# OUR LARGE SELECTION OF LIGHTING IS **NOW EASIER TO SHOP**

Our entire selection of Lighting now couldn't be easier to shop. Our extensive offering of products are categorised by type for easy shopping

and pairing with the rest of our collection, meaning you can find the perfect feature light or accent piece in moments.

# INDOOR LIGHTING

## PENDANT LIGHTS

Give each room that finishing touch with our collection of pendant lights, including bold statement pieces to coalescent lights that will subtly blend into their environment. Illuminate your space with modern fixtures, as well as timeless designs that will never go out of style.

We've made it easy to create a fully co-ordinated look with a handy roundel indicating any styles that are available as part of a matching range.

# INDOOR LIGHTING

## CEILING LIGHTS

Cast a stylish atmosphere over your interiors with our extensive range of ceiling lights. With lighting being the final touch to any interior giving a room it's personality, our wide range of styles, designs and sizes will allow you to choose the perfect light for your chosen room.

We've made it easy to create a fully co-ordinated look with a handy roundel indicating any styles that are available as part of a matching range.

# INDOOR LIGHTING

## TABLE LAMPS

Our table lamps bring a soft illumination to your home, enriching each room and brightening darker areas. From luxe metallics to rustic wood, our table lamps are the perfect finishing touch.

We have a huge range of matching table and floor lamps which work effortlessly to bring an interior look together.

We've made it easy to create a fully co-ordinated look with a handy roundel indicating any styles that are available as part of a matching range.

# INDOOR LIGHTING FLOOR LAMPS

Ideal for bringing more light into a room, or feature pieces in their own right. Our eclectic range of floor lamps offer something for every interior, from classic silhouettes to design-led statement pieces. We have a huge range of matching table and floor lamps which work effortlessly to bring an interior look together.

We've made it easy to create a fully co-ordinated look with a handy roundel indicating any styles that are available as part of a matching range.

# INDOOR LIGHTING

## BATHROOM

Add a touch of style in the bathroom with our collection of ceiling and wall lights, perfectly illuminating your mirror or sink.

Whether you choose traditionally styled chandeliers or contemporary designer pieces, our offering is perfect for adding the finishing touch to any bathroom.

We've made it easy to create a fully co-ordinated look with a handy roundel indicating any styles that are available as part of a matching range.

# Gallery™

Gallery designers take great care with the colours used in the 'Collections'. The limitations of the printing process may mean a slight variation in colour. Every reasonable care has been taken to ensure that the reproductions are accurate. Descriptions in the catalogue are approximate only.

Due to the nature of the product and its manufacture, there may be variations in materials, colour, size, weight and finish.

We always seek to improve our product and reserve the right to make changes at any time without notice. This catalogue supersedes all previous issues.
